Quonset Business Park

"Land of Opportunity"

The potential of the Quonset Business Park was highlighted recently in a 20th Anniversary edition of the Providence Business News. With air, land, and sea access, the site holds great opportunity for commercial growth, said the state's leading business publication. In a recent interview, QDC's COO, Steven J. King stated, "The amount of acreage and the land available for development provides a huge opportunity for creating a number of jobs here."

The Future of the Quonset Waterfront

Development Opportunities

Now and In the Future

There are some exciting opportunities for waterfront development at the Quonset Business Park. The Quonset Development Corporation has been carefully planning for the best use of its valuable waterfront property. The unique commodity offers brilliant ocean views, green space, and the multi-modal capacity that Quonset has with freight rail, ocean and highway access. As QDC has moved forward it has been mindful of the delicate balance between economic opportunities and environmental responsibility.
